

Erasmus+ traineeship scholarship – Certification for traineeships that are not credit bearing

Within the Erasmus+ programme students are able to apply for an Erasmus+ traineeship scholarship for traineeships that are not credit-bearing. One of the conditions is that the traineeship has to be connected and relevant to the student's study programme at Malmö University.

This document is for internal use only at Malmö University and is needed for the student's scholarship application.

To be completed by the student

Name of student: _____

Student's study programme at Malmö University: _____

Name and details of the student's traineeship organisation/company:

The undersigned confirms the academic connection of the above traineeship with regard to the student's study programme, and that the traineeship has relevance for the student's planned degree.

To be completed by the student's teacher/Education Coordinator/Program Responsible (or the like)

First name and last name: _____

Title and working at [name of faculty/department/school]:

Signature and date: _____
